

The Care Support Point is located in Hanau in the „Haus der Gesundheit“, Willy-Brandt-Straße 23, on the 2nd floor (an elevator is available).

**Bus:** The bus stops Friedrichstraße, Stadtwerke Hanau and Kurt-Blaum-Platz are located within a radius of 150 m. The barrier-free access with elevator can be found to the left of the gym „FITSEVENELEVEN“.

# Pflegestützpunkt

## Hanau

Care Support Centre  
Joint sponsorship by the Nursing and  
Health care Insurance funds and the City  
of Hanau

The Care Support Centre provides  
support for care and assistance issues:

- Information
- Counselling
- Assistance
- Management
- Coordination

### The care support centre offers support for:

- persons in need of care,
  - family care givers,
  - disabled persons,
  - persons likely to become disabled and dependent on care services.
- 
- **We** are your first contact for all your queries.
  - **We** offer unbiased and free assistance.
  - **We** inform independently and are consumer oriented.
  - **We** provide home visits upon request.
  - **We** are at your side providing practical support while taking care of your long-term needs.

### Our range of services includes:

- comprehensive and independent **information and counselling** on the selection and use of social and support services,
- **coordination** of all support services for local assistance and care support in using these services,
- **interlinking** and modifying the social and care services,
- **living room consultation.**

The Care Support Centre cooperate with all institutions and services involved in prevention, rehabilitation, care and assistance in organizing one's life.

Individual appointments for counselling can be made any day from Monday to Friday:

- by phone,
- by email,
- as a home visit.

If we cannot be reached personally, an answering machine is set up, on which you can leave messages. We'll call you back as soon as possible.

Telephone availability: **06181 2950-6559**
